

## ACA Progress Report

Saint Catherine Laboure Parish-260

Thank you for all you have already done to make the 2023 *Annual Catholic Appeal* a success. Below is your current parish progress report. This will be the last progress report that you receive until we announce the final results of the 2023 *Appeal* in September and send your final report.

If you recently switched parishes, or if your parish subsumed another parish(es), then you should receive separately the progress reports for all of the parishes that are your responsibility. If you are missing any parish reports, please let us know.

Also, although many parishes will be changing, we are going to finish the 2023 *Appeal* reporting based on the pre-ATN structure. We will be working with our team to determine the best ways to update our database structure as we learn more about the timing and process for finalizing parish changes.

The close of the *Appeal* is just a little more than a week away, on August 16. To be included in the 2023 *Appeal* totals, all gifts must be received by then. Of course, we can accept gifts after that date, but they will not be included in the final report. Please send in any gifts you receive as soon as possible, as delays in the mail system could prevent us from receiving your gifts by August 16.

As always, your most important gift to the *Appeal* is your prayers. Thank you for your work! We are praying for you.

Gratefully,
