

## Middle School Band

## Donations Needed

\*Kairos is a 501(c)(3); a donation acknowledgment letter is provided upon receipt.

### **Greetings!**

**My name is Lauren Wood and I am starting a Middle School Band Program at Kairos Academies in St. Louis City, and my students could use your help!**

**Students are in need of instruments, as most are unable to afford their own. Monetary donations will enable the school to purchase materials that we can't acquire through donations.**

**Music Education is proven to help many skills including literacy, verbal memory and intelligence, and spatial learning.**

**Please, call, text, or email me if you are able to support my students!**
