Dear Parents,

There are many stories in the bible where God is where life happens. For example, Jesus is at a wedding in Cana and at the request of his mother, changes water into wine. While his disciples are fishing unsuccessfully, Jesus tells them to throw their nets on the other side and they suddenly catch a bumper crop. Jesus was just walking and felt a tug on his garment. He healed the woman of her bleeding in an instant because of her great faith. In all these examples, Jesus encounters people in the ordinariness of life. Where have you met God today? At work, on a walk, in a meeting, on the sidelines at a ball game? Life happens and God is there to guide, to inspire, to delight us and delight in us. Where has life taken you today and how has God been a part of it?
