Recap of SCL School Parent Night and PSR Night by Jason and Julie and it seemed like it was helpful to get the word out – possibly having a new Parish Council Member from it!

Bill Holland gave us an update on the Parish Survey, we will have Joey look into best way of distributing the survey through Microsoft forms or survey monkey. If you have ideas to improve the survey, send them directly to Bill Holland before the next meeting. Could we use this survey to form our goals for 2025?

Kim shared the letter to the ministry team leaders about their representation for the weekends in September (thanks Maggie for helping). Plan for serving food and having conversations with ministry groups outside if weather permits. Using the youth ministry sign holders and SCL staff is providing the posters. Parish Council is serving food the weekends of September 7th/8th and September 21st/22nd. Kim, Sue S, and Sue B will work on sign up genius and then send out letter to ministry leaders this week.

Jason will follow up with Fr. Dominic about how to introduce our Parish Council to the parish.

Claire led closing prayer

Next meeting September 19th!
