Dear Parents,

The Season of fall is upon us. We begin to see it in the cooler, crisp temperatures and the color burst of trees and bushes. Here is a lovely prayer from one of our teachers that was shared Monday night at prayer time among the faculty.

**F**all is in the air

*Creator Father, the trees are ablaze with your glory.  
The seasons change, but you never do.  
You are always beautiful,  
in the green and freshness of spring  
as in the golds and reds and chills of autumn.  
Make me like you.  
Let my life reflect your beauty,  
season after season,  
as the calendar of my life turns and turns and turns.  
The trees are letting go of this year's foliage.  
Help me let go of both blessings and burdens,  
and surrender them both to your loving care.  
Fallen leaves pattern the ground with variety.  
So design my own fallings and failings  
into whatever design will please you most.  
In Jesus' name, I pray,  
Amen.*

Last week during PSR all students practiced safety drills including fire, tornado, earthquake and intruder drills.
