Dear Parents,

Last night our Confirmation students declared their intent to prepare well for the Sacrament of Confirmation Through the Rite of Enrollment, they affirmed their intentions to do service and pray, serve the poor, attend PSR, receive the Eucharist and Reconciliation, to participate, listen and ask questions, to learn about the saints and other holy people, to work with their sponsor and to listen to God. We thank the parents, grandparents, and sponsors who attended and who will guide and encourage them with their efforts. Here is a list of all our Confirmation students in the Parish who have declared their Rite of Enrollment.
